

Green Bean Beard

by Kathy Klein

It's time for dinner

What will Simon have?

Tonight for dinner, Simon is having spaghetti and meatballs, mashed potatoes, and green beans

Simon, eat some spaghetti, says Mama.

Simon takes some spaghetti sauce and smears it on his lip

Look! says Mama. You've got a spaghetti moustache!

Simon, eat some potatoes, says Mama.

Simon takes some potatoes and puts it on his ears.

You've got potatoes growing out of your ears!

Tada! says Simon.

Simon, eat a meatball for Mama.

Simon takes a meatball and puts it on his head.

Simon, you have a meatball hat! Says Mama.

Simon, eat some green beans, says Mama.

Simon smooshes the green beans and puts them in his mouth.

He then spits them out and they run down his chin.

You've got a green bean beard! says Mama.

Tada! Says Simon. All done!

All done? asks Mama. But you didn't eat any of your dinner!

All done, says Simon, and he claps his hands.
