

# **Turn the Page**

**by Kathy Klein**

**Turn the Page**

**Take a look**

**See what's written in this book**

**Turn the page**

**Take your time**

**You'll find words that like to rhyme**

**Turn the page**

**Hurry now**

**Come and join the happy cow**

**Turn the page**

**You are great**

**You have found the number 8**

**Turn the page**

**Clap your hands**

**Then go do a silly dance**

**Turn the page**

**You're so fast**

**Hope that you're having a blast**

**Turn the page**

**Almost done**

**Look up at the big bright sun**

**Turn the page**

**My dear friend**

**After all, this is the end!**
